Introduction To Real Estate Leasing

The Leasing Section of the Department of Administration has been statutorily mandated to carry out all leasing activities for State Agencies. It is our intent to assist State Agencies in obtaining appropriate leased facilities. We hope this manual will help facilitate that end.

Section 1: Getting Started

1. Explains why the Department of Administration is the primary facilitator in the leasing process, and the basic laws and policies that govern the process.
2. Informs you of important guidelines that must be followed.
3. Gives both the general guidelines on how to determine the amount of space you will need for your leased office and a formulary for assigning space.
4. Explains, step by step the process for each type of leasing transaction.

Section 2: Lease Clauses

Contains the non-negotiable clauses for all leases and mandatory clauses for all leases.

Section 3: Lease Payments

Explains how to make lease payments.

Section 4: Boilerplate Leases

This section has the most often used boilerplate documents. These are just examples and are not to be duplicated and used. Documents that have been approved by the Attorney General can be found and downloaded from the leasing web page:
www.in.gov/idoa/reallease/index.html.

Section 5: Forms

This section contains a copy of the 202 "Request to lease space" the 203, "Proposal for leasing space" and the minimum standards to be used for all lease hold improvements. This section also contains a list of the other documents that are available through the Leasing Section. All leasing forms can be found at
www.in.gov/idoa/reallease/index.html.

It is our desire to make this process as simple and painless as possible. Should you have any suggestions that might improve this manual or the leasing process, we welcome your comments.

Bea Tate,
Director of Real Estate Leasing

Getting Started

Statutory Obligations (IC 4-20.5)

The following information is presented to clarify IDOA's responsibilities as the primary facilitator of the leasing activity.

IC 4-20.5-5-3: Duties of the Department of Administration:

1. Establish uniform standards for determining the amount and type of facilities needed by agencies.
2. Assign facilities in or on property owned or leased by the State.
3. With the approval of the Governor, lease facilities for the use of agencies.
4. Prepare and make available for public inspection an annual report of facilities leased for state agencies in each county.
5. Establish the amount and type of facilities needed for different categories of employees, equipment and materials.

Below are listed the Standards that are to be considered and followed by both the using agency and IDOA when leasing real estate.

IC 4-20.5-5-4, IC 4-13-1.1: Standards established under section 3(1) must do the following:

1. Encourage increased efficiency of agencies through the grouping of interrelated agencies.
2. Facilitate public access to state government.
3. Ensure that state offices will be centrally located in urban areas, unless such a location would not serve the interests of accessibility, economy and efficiency.
4. The state shall utilize and maintain, wherever operationally appropriate and economically prudent, downtown properties, especially in historic structures and districts. Subject to IC 4-20.5-5 and IC9-16-2 and other relevant state statutes, when locating state facilities, state agencies shall give first consideration to historic properties within downtowns or historic districts. If no such property is suitable, then state agencies shall consider other developed or undeveloped sites within downtowns. If there are no suitable sites, state agencies shall then consider historic properties outside of downtown or district.

Downtown is defined as:

1. The central business district of a city, town or township
2. Any commercial or mixed use area within a neighborhood of a city , town, or township that has traditionally served, since the founding of the community, as the retail service and communal focal point within the community
3. An enterprise zone established under IC 4-4-6-1
4. A brownfield revitalization zone established under IC 6-1.1-42

IC 4-20.5-5-5: Needs request:

An agency that needs facilities must submit a description of its needs to the Department of Administration. (SF202)

IC 4-20.5-5-6: Satisfaction of request with facilities already owned or leased:

Whenever the Department of Administration approves all or part of an agency's request for facilities, the department shall determine whether the agency's needs can be met by assigning the agency facilities in or on property already owned or leased by the state. If the agency's needs can be met by such an assignment, the department shall make the assignment.

IC 4-20.5-5-7: Newly leased facilities; lease conditions:

1. If an agency's needs cannot be met under IC 4-20.5-5-6 of this chapter, the Department of Administration may approve the leasing of facilities for the agency or lease facilities in its own name and assign them to the agency. A lease approved under this subsection must satisfy all the following:
 - a) Must be approved under IC 4-13-2-14.1.
 - b) Normally must not exceed four (4) years, however, may be rented for a term of up to ten (10) years. If a property is rented for a term of more than four (4) years, the Commissioner of Administration must make a written determination stating the reasons that it is in the best interest of the state to rent property for a longer term. IC 4-13-1-4-10(B)
 - c) May provide for the state to make improvements on the leased property if authorized by the public works division of the department.
 - d) Notwithstanding IC 4-13-2-20, may provide for payment to Landlord at any time during the term of the lease for leasehold improvements made by Landlord.
2. A lease entered into under this section may be renewed for successive terms.

Additional statutory/policy statements that apply to the leasing process are as follows:

1. Leases for Real Estate must be submitted for approval by:
 - a) The Landlord
 - b) The Department of Administration
 - c) The State Budget Agency
 - d) The Attorney General
2. Leases of real estate do not have to be competitively bid, however, you will be expected to follow the guidelines set by the Department of Administration as stated under Part III - Locating and Leasing New Space.
3. Agencies (except judicial and legislative) must process leases through the Department of Administration.
4. No payments may be made under the lease unless the Auditor certifies that funds have been encumbered for such a purpose.
5. No obligations may be incurred for lands or structures without the prior approval of the State Budget Agency (with the exception of State Highways and the State Universities).

Important Guidelines

The next items are important guidelines that "must" be adhered to by all agency personnel involved in the leasing activity.

1. Agency personnel are not to contact or discuss possible leases with real estate agents, brokers, builders, building owners or their representatives unless given direct authorization by the Leasing Section of the Department of Administration.
2. Although our Standard Lease Form makes provision for holding over, this is not to be construed as a right and should not be used as an excuse by any agency to take more time than is necessary to perform their part of the leasing task.
3. Early possession or making a commitment to a Landlord for needed space without the approval of the Department of Administration and the State Budget agency may be construed as "obligating the state without proper authority". IC 4-13-2-18 states that an officer who knowingly incurs any obligation without proper authorization is providing legal grounds for his removal.
4. Any agency that is negotiating its own lease and wishes to make changes to the state's standard boilerplate must first get approval from the Leasing Section of the Department of Administration.
5. Any new site that has been selected must meet the requirements of IC 4-13-1-4 or supply justification for not selecting this type of site. No lease will be approved that does not meet this requirement or supply sufficient justification for not complying with this requirement.
6. All changes in Landlords must be memorialized by amendment. An approved boilerplate form is available on the IDOA Leasing web page.
7. All improvements to leased space that will be paid for by the Tenant and are in excess of \$25,000 must be approved by amendment.

Space Utilization Standards

In order to lease efficient, cost effective space the following space standards have been established. The use of these standards will make it easier to determine the maximum space allowed for each area required.

Office space standards shall be computed for all purposes in terms of total number of square feet per total number of employees in a given location, hereafter referred to as the "A/E." "A/E" benchmarks are established as follows:

Conventional Office Areas and Open Plan Office Areas, or a combination: 200 Square Feet per number of employees.

This square footage includes but is not limited to conference rooms, rest rooms, waiting areas, etc. Any assignment of space above the benchmarks must be justified by the Tenant Agency and approved by the Leasing Section.

The following breakdown should be used in your justification:

	Staff	Recommended Square Feet
1.	Commissioners	300
2.	Directors	225
3.	Division Heads/Chiefs/Deputy Directors	150
4.	Supervisors/Managers/Staff w/ Office	100
5.	Technical Personnel and Staff w/out Office	80
6.	General Clerical & Secretarial	60
7.	File Cabinets	7.5
8.	Conference/Public areas/training	20 square feet Per Person

Circulation Space

- | | | |
|----|--|---|
| 1. | Secondary – The total for secondary horizontal circulation, including aisles and circulation space within the agency; circulation within large open space areas or between individual areas. | 15% of contingency area and staff |
| 2. | Primary - The total for primary horizontal circulation, including space between or outside agencies, i.e.: major hallways from vertical areas to the agency. | 10% of Staff, contingency and secondary circulation |

Net Space Allocation Formula

Below is the formula to be used during the space allocation process. This formula is highly recommended for all new placements. It is mandatory for any agency requesting space over the 200 square feet per person guideline.

Staff Category	# of Staff	Sq Ft/Type	Allowable Sq Ft
Commissioner	X	300	=
Directors	X	225	=
Division Head/Chief/Deputy	X	150	=
Supervisor/Manager/Staff	X	100	=
Technical/Staff w/o office	X	80	=
General Clerical/Secretarial	X	60	=
Filing Cabinets	X	7.5	=
Conference / Public Areas / Training	X	20	=
Sub Total # 1			_____
15% of Sub Total #1 is Secondary Circulation			X _____ .15
Sub Total # 2			
10% of Sub Total #1 is Primary Circulation			X _____ .10
Sub Total #3			
By adding Sub Totals 1, 2 & 3 you will get;			
Total Allowable Square Footage =			_____

Procedural Requirements

The following 6 categories explain the process for each type of leasing transaction.

1. Locating and Leasing New Office Space (Large usage leases, such as juvenile facilities will also fall under these guidelines as well)

When an agency finds it has a need to lease office space, or relocate an existing office into new space, these steps should be followed:

- A. At least 6 months prior to your desired move date, submit a State Form 202, Request to Lease Space, to the Department of Administration, Leasing Section. Please complete all of the relevant information.
- B. If approved and it is determined that there is no space available within already owned or leased buildings, the Agency will endeavor to obtain at least two or preferably three proposals from landlords whose space meets the agency's described needs. These potential landlords may be solicited in several ways; a news release, contact with local city officials, chamber of commerce and/or an assignment by the Department of Administration to one of the Tenant Representative Real Estate Professionals under contract with the state. The Department of Administration will help you select the best method for each placement.
- C. The potential landlords who request a proposal package should be given a package detailing the specific needs of the Tenant Agency. It is important that the package given to the prospective Landlords be comprehensive. Included in this package should be:
 - 1.) Number and classifications of employees along with the allotted amount of space designated for these positions;
 - 2.) A breakdown of the areas needed within the building and which positions will be housed in those areas;
 - 3.) A description giving the prospective Landlords a general idea of the type of build out that you will need.(If you have a floor plan from another office that is similar to this one, use it as an example)
 - 4.) A list of specifications: improvement standards(found in your forms section), expected services, parking, phone and data, etc.;
 - 5.) State Form 203 (Proposal for Leasing Space) or standard RFP found on the Leasing web page and janitorial exhibit.
 - 6.) Copy of appropriate Standard Lease Boilerplate.
 - 7.) Copy of Statutory/Policy do's and don'ts and mandatory clauses.
 - 8.) The downtown definitions generated by IC 4-13-1.1 and IC 4-20.5-5-4.
- D. All proposals are to be prepared on SF203, Proposal for Leasing Space or the standard RFP found on the Leasing web page. This will insure that all necessary

information is available for comparison. Any additional information may be added as an attachment. All proposals should be sent to the Tenant Agency at their address. The Agency will be responsible for getting copies of this information to IDOA's Leasing Section.

- E. The appropriate Tenant Agency personnel and if necessary, the appropriate IDOA personnel will review all proposals and a decision will be made. **In the event of a disagreement, pursuant to the aforementioned statute, IDOA will make the final decision as to the property to be leased.**
- F. After a Landlord has been chosen and the lease terms negotiated, the agency will draw up the lease documents. There are to be three originals.
- G. The Landlord's signature should be secured first after which an Executive Document Summary (EDS) and an updated SF202 are to be attached and the State Signature process is to begin. (Should you have been approved for a term longer than 4 years, the approval should also be attached)
- H. After all signatures are completed, the Lease document will be returned to the IDOA Leasing Section for distribution. The IDOA Leasing Section will retain one original for their files and will send the Agency original and Landlord original to the Agency for proper distribution.

2. Renegotiating a Lease for Existing Space

If you have a lease that is within six (6) months of expiring and you do not have an option to renew, but you wish to remain in this space, observe the following procedure.

- A. Determine if the space is adequate as-is. Ask your local staff some of the following questions: Does the space need painting or new carpet? Has the Landlord taken care of the space in a manner that is satisfactory?
- B. Once you have determined your needs, contact the Landlord and request a proposal for a new lease rate. Once this has been received and you have determined that the price is reasonable or negotiated a reasonable price, send State Form 202 (Request to Lease Space) to the Department of Administration, Leasing Section. (Please note on the 202 that this is a re-negotiation.)
- C. Once the Department of Administration has reviewed your 202 and agreed that the price is reasonable, it will be signed and returned to you.
- D. Finally, you will prepare your lease documents. Follow the same procedures listed in G and H of Locating and Leasing New Space. Please note: If your current space is not located in one of the downtown categories, your 202 should also include an explanation as to why no effort was considered to relocate into a downtown site.

3. Lease Renewals

- A. **Each agency is to be responsible for recognizing when a lease is due to be renewed.** Most leases require a 60-day written notice. This notice is to be generated by your agency. The only signature required for a renewal is the Commissioner of the Department of Administration, however we do have a signature line for your agency head on the renewal form.
- B. The notice, in **triplicate** should be prepared; attach an Executive Document Summary (EDS), a 202 with cost and staffing numbers and a copy of the original lease. You would then send them to the Leasing Section of the Department of Administration. Make sure you allow yourself enough lead-time. You should send this to IDOA at least 15 days prior to the date it needs to be mailed to the Landlord.
- C. Once signed by the Department of Administration two of the three originals will be returned to your agency. Your agency should retain their original and send by registered or certified mail an original to the Landlord.

4. Other smaller lease types where the State is the Tenant (Parking, hangar, microwave sites, etc.)

- A. Use pre-approved boilerplate documents.
- B. Three original documents (Please duplex)
- C. EDS - Section 34 should have comprehensive explanation for need and how cost was determined to be reasonable. (A 202 will not be required for these types of activities)

5. Land Leases

When an Agency wants the Department of Administration to lease State-owned land, wetland, trapping rights or farmland, these procedures should be followed.

- A. A three (3) to six (6) month notice should be sent to the Department of Administration, State Surplus Section. This notice should include:
 - 1.) A completed State Form 13812 (Notification of Surplus State-Owned Property);
 - 2.) A draft of the Lease document that you wish to use;
 - 3.) Terms and conditions of the lease clearly defined and stated;
 - 4.) A cover letter containing the agency contact person, address, phone number and county in which the land is located;
 - 5.) A copy of the previous Lease document if there was one; and
 - 6.) Names and addresses of potential bidders who have inquired about property.
- B. After receipt of the above items, the State Surplus Section will send a copy of your lease to the Leasing Section for review. The Leasing Section will review your lease and make hand-noted corrections on the document. Once corrections are made the Leasing Section will send the corrected copy back to the State Surplus Section.

- C. A control number and bid opening date will be established. (Time frame is determined by how many advertisements are needed.)
- D. A Notice of Lease will be prepared; the following will be filled in depending on the specifics that you send to the Surplus Section:
 - a) Agency identified, contact person, phone number;
 - b) Location of property;
 - c) Where to pick up "Bid Pack";
 - d) By what date; and
 - e) Statement concerning: Bid packs returned . . . State of Indiana reserves the right to reject . . .
- E. Advertisements will be placed in the following newspapers:
 - a) Indianapolis Star or News;
 - b) Indianapolis Commercial and;
 - c) Two or three newspapers within the county where the land that is to be leased is located. A Democratic and Republican and/or a minority newspaper are preferred. However, some small communities may have only one newspaper. On those occasions, the local paper and a paper in close proximity to the community will be used. (The agency will be responsible for the cost of all advertising.)
- F. Bid opening: All bids are received, opened and micro-fiched in the Department of Administration Bid Room. Bids are then returned to the State Surplus Section for spreadsheet (layout of bidders and prices to determine award/rejection). Award and rejection letters are then prepared and sent to all bidders and a copy of the award letter will be sent to the agency.
- G. Upon receiving the award letter, the agency is then to prepare the Lease, making the corrections noted on the marked-up copy. There should be three (3) originals. These are for the Landlord, the Agency, and the Leasing Section. The Tenant and the Signing Authority of the agency requesting the Lease should sign the Documents. An Executive Document Summary (EDS) should then be attached and the documents sent to IDOA, Leasing Section.
- H. These Leases will follow the same signature process as all other leases.

6. Union Leases

Articles 6.E and 4.J. of the AFSCME and Unity Settlements respectively state that "Subject to its availability and upon approval by the Department of Administration, each Union local will be permitted to lease office space in State owned or leased buildings. The Union agrees to pay all fully allocated costs of use and occupancy charges and all other charges as would be paid by a State agency under the same circumstances."

When a union representative requests office space the following procedure should be followed.

- A. Prepare a lease defining the location and square feet to be leased. The lease document can be found on the Leasing web page.
- B. The appropriate Union person will sign first. After that the lease will follow the same signature process as all other leases.
- C. There should be three original lease documents and an EDS.

Please note: The State will only provide office space. All telephones, office equipment, furniture, supplies, etc., will be the responsibility of the local Union. Also as stated in the agreement, "Access, security and other usage issues shall be in accordance with Institution or Departmental policies and rules as established from time to time.

Housing Leases

The Housing policy and boilerplate document can be found on the IDOA Leasing Web page, www.in.gov/idoa/reallease/index.html. For any additional information please contact IDOA Leasing.

Lease Clauses

Non-Negotiable Clauses

The following are a list of statutory limitations and policies that most often cause conflict when negotiating with new Landlords. This list is a tool for you to refer to during negotiations. It should ALWAYS be included in your proposal package that is given to prospective landlords. The items listed below are NOT negotiable.

Any of the following clauses will be cause for rejection!

1. Payment in advance, including security deposits. [IC 4-13-2-20]
2. Inappropriate time frame for making payments and inappropriate percentage of late fees. [IC 5-17-5-1]
3. Purchase of insurance by the State. [Property: IC 4-13-1-17; Personal injury: [IC 34-13-3-20(b).]
4. Any term longer than four (4) years, unless accompanied by written approval from the Commissioner of Administration. [IC 4-13-1-4 (10)(B).]
5. Indemnification of the landlord for anything, including but not limited to: personal injury, property damage, real estate commission, insurance premium increases, or damages caused by invitees. Reference: Landlord may look to IC 34-13-3 of the Tort Claims act and IC 34-30-9-2 for the allowable protection in this area.
6. Agreements to pay the landlord's attorneys fees for any matter whatsoever. This policy was established by the Attorney General's office concerning all leases. Reference: [IC 4-6-1,2,3, and 11]
7. Acceptance of liability for the acts of persons on the premises who are not the agents or employees of the State. Reference: Landlord may look to IC 34-13-3 of the Tort Claims Act for the allowable protection in this area.
8. Waiver of rights granted to the State by statute.
 - a) The right to withhold payment in the event of a dispute. [IC 5-17-5-1 et seq]
 - b) Waiver of subrogation in cases of personal injury. [IC 4-6-2-11] (Waivers of subrogation are appropriate only when limited to damage to State property or, in the case of waivers of both personal injury and property damage liability, the state has been named an additional insured on the landlord's insurance policy.)
 - c) Waiver of landlord's duty to repair structural elements of the leased premises.
 - d) Waiver of notices of defaults or other actions with adverse consequences for the state.
 - e) Mechanics liens: no landlord discharge or release provision. Notice to cure may be sent to the State.

9. Uncapped or unknown costs: all price increases must be capped and/or linked to a definable dollar amount.
10. Insurance premium increases. We will accept a notice and opportunity to cure the cause of the increase should it be due to our usage.
11. Any unrealistic costs in the event of default or holding over, for example: 125% of the rental rate to be paid while in holdover.
12. Any provisions that are not applicable (i.e., bankruptcy, tax liens, etc.). The State is exempt from paying taxes.
13. Waiver of Subrogation: This is not an acceptable clause due to the fact that the State may not purchase insurance.
14. A governmental body may not enter into a cost plus a percentage of cost contract.
IC 5-22-17-1

Mandatory Clauses

The following 5 items are mandatory in all leases. The preferred wording for all leases is found in the State's Boilerplate document within this manual. No substantive changes will be allowed.

1. Nondiscrimination clause.
2. Conflict of Interest.
3. Cancellation for funding. [IC 5-22-17-5]
4. Maintaining a Drug-Free Work Place
5. Ethics clause
6. Non-collusion clause

Note: All leases outside of Marion County must contain a Greening of Government Clause.

Processing Lease Payments

The agency will issue a purchase order following the new PeopleSoft guidelines.
(Go to <http://www.in.gov/idoa/proc/QuickReferenceGuides.htm> for instructions)

A letter should be sent to the landlord giving him the purchase order number. (The landlord will receive an official notice from the Auditor giving him the purchase order number, but giving him or her the number in advance will help expedite the process.) Your letter should also include the following instructions and information:

- A. The Landlord must send a monthly invoice (in arrears) on Landlord's letterhead, directly to the Tenant Agency. The invoice should contain:
- An invoice number
 - A purchase order number
 - A description of service for which we are being billed in a line item fashion, (rent, additional rent, utilities, leasehold improvements, etc.)
 - A remittance address
 - An amount due.
- B. Provide the Landlord with the name and phone number of the person within your agency who will be the landlord's contact in the event there are questions or problems.

Upon receipt of the Landlord's invoice, the Tenant Agency must send a partial or receiver with the invoice to the Auditor for payment. When the Auditor has both documents, a warrant (check) will be prepared and sent to the Landlord.

Payment During Holdover

In an acceptable case of holding over, such as negotiations taking longer than anticipated, the Landlord may be paid by claim voucher under the terms of the expired lease on a month-to-month basis. If the new agreement includes the time in holdover and contains an increase in monthly consideration, you may not pay that additional amount until the new lease is fully executed. Once the new lease is fully executed, you may make a one-time payment for the difference between the amount paid during hold over and the amount approved in the new agreement.

If the term of this Lease does not begin on the first day of a calendar month, or if this Lease does not terminate or is not terminated on the last day of a calendar month, then the rent for any period less than a calendar month will be prorated based upon the number of days in the partial month for which the lease is effective.
- C. Late payments, if any, shall be determined and made in accordance with IC 5-17-5-1.
- D. All payment obligations shall be made to the following person/company/agent, at the following address:

6. General Uses by Tenant

- A. Tenant agrees that the Leased Premises will be used and occupied for office and clerical work to be performed by employees of Tenant. Any other use by Tenant must be approved by Landlord prior to such use.
- B. Tenant shall not make any alterations, additions, repairs, or improvements to the Leased Premises unless agreed to by Landlord and under the guidelines outlined in 6C.

- C. Should Tenant require improvements during the term of this Lease, said improvements shall be agreed to without amending this Lease and performed by Landlord with Tenant reimbursing Landlord after completion and approval of the improvements. Improvements under this clause shall not exceed \$25,000.00.

7. Services to be Provided by Landlord

- A. Landlord shall provide the following services for the Leased premises specified above during the term of this Lease, at no additional cost to the Tenant, unless otherwise specified in this Lease.

1. Routine janitorial services and supplies, including rest room supplies, replacement of light bulbs, and customary cleaning in and about the Leased Premises, as more specifically described in Exhibit "___" attached hereto;
2. Heat, air conditioning, and ventilation when required for comfortable occupancy of the Leased Premises to the following criteria:

Summer: Cool to 75 degrees.

Winter: Heat to 70 degrees.

Fresh air to be provided based upon 20 cubic feet per minute of outside air per person at a density of 1 person per 200 occupied square feet, except when the outside temperature is above 90 degrees or below 15 degrees in which case the quantity of fresh air will be reasonably adjusted to provide for comfortable occupancy;

3. Gas, where applicable, and electricity;
 4. Water for drinking, lavatory, and rest room purposes, including a reasonable amount of hot water;
 5. Sewage services;
 6. Parking; _____ spaces, located _____;
 7. Snow and ice removal from the parking areas and walkways to and around the Leased Premises (Snow to be removed when it reaches 2 inches. Ice to be treated as needed);
 8. Pest control when needed;
 9. Trash removal (Scavenger Service);
 10. Lawn maintenance, where applicable;
 11. Installation and maintenance of building-standard signage identifying Tenant, to be installed in an area agreed to by Landlord and Tenant;
 12. Casualty and public liability insurance in a minimum amount of \$_____, with the State of Indiana named as an additional insured. However, this insurance requirement shall not be construed as an election of remedies;
 13. Paint walls and shampoo carpets within the Leased Premises should the Tenant exercise its option to renew the lease under Section 4; and
 14. Accommodation and coordination for recycling of office paper, newspaper, corrugated cardboard, and beverage containers in keeping with the State's Greening the Government recycling requirements.
- B. Landlord agrees to maintain the Leased Premises in a condition of safety and habitability appropriate to the needs and uses of Tenant. All maintenance, upkeep, and repair of the

Leased Premises and its systems shall be the responsibility of Landlord and shall be provided at Landlord's expense, except in the event damage is caused due to the negligence of Tenant. Upon notice from Tenant of any condition requiring repair or maintenance, Landlord shall promptly make the required repairs and perform the required maintenance. Should repair or maintenance be the result of Tenant negligence, Landlord will invoice Tenant upon completion of the work performed. Tenant will reimburse Landlord as promptly as possible.

- C. Landlord promises and agrees that should it fail to make repairs in a timely, proper, and satisfactory manner after notice is provided by Tenant, or after its own inspection reveals a need for repairs, Tenant may make such repairs and set off against the rent the cost of such repairs from the date of notice. The rent shall abate until the total costs of repairs incurred by Tenant shall be recovered.
- D. Tenant acknowledges and agrees that in order for Landlord to fulfill its obligation to maintain and repair the Leased Premises, Landlord shall have the right to enter the Leased Premises throughout the term of this Lease, at times agreed to by Tenant, for the purposes of inspection and making repairs. Landlord shall be entitled to bring upon the Leased Premises, at times agreed to by Tenant, workmen and materials necessary to provide maintenance and complete repairs. However, this right shall not relieve Landlord of the responsibility for the quality of the repair work to be performed or the effects of repairs, or from liability for the actions of its agents and employees in performing the repairs.
- E. If Tenant remains in compliance with this Lease, Tenant shall have the peaceful and quiet enjoyment of the Leased Premises except as provided in section D. above.
- F. Landlord acknowledges and agrees that the Leased Premises and all facilities shall conform to applicable provisions of the Indiana State Fire and Building Codes, and applicable Municipal Fire and Building Codes.
- G. Landlord further agrees to provide access and parking and meet any other requirements for persons with disabilities in conformance with local, state and federal statutes and regulations, including those current laws and regulations required by the Americans with Disabilities Act (ADA), 42 USC 101, 1990.

8. Loss of Use by Tenant

In the event the Leased Premises are made untenable or are partially or totally destroyed by fire, explosion, or other casualty, provided such total or partial destruction is not caused by Tenant,

- A. The Leased Premises shall be repaired as speedily as possible, at Landlord's expense;
- B. Either party may elect to terminate this Lease by notifying the other party in writing within thirty (30) days of the casualty, and rent shall abate and be paid only to the date of the casualty;
- C. Landlord and Tenant can agree in writing to continue this Lease for the undamaged portion of the Leased Premises at a rent apportioned according to the usable office space

available. If the Leased Premises are unusable during the restoration period, the rent shall abate during this period.

9. Installation of Fixtures

Tenant shall have the right to install, place and maintain all business fixtures, equipment and furniture necessary and required for use by Tenant, its agents, officials and employees, in the conduct of its business, and Tenant shall have the right to remove such business fixtures, equipment and furniture upon termination of this Lease, providing Tenant reasonably repairs damage caused by the removal.

10. Assignment and Subletting

Tenant shall not assign this Lease, sublet the Leased Premises, or any part thereof, or permit the use or occupancy of any part of the Leased Premises, by anyone other than Tenant, its officials, agents, or employees, without the prior consent of Landlord. The Landlord shall not unreasonably withhold its consent to allow assignment or subletting. However, the Indiana Department of Administration shall have the right to assign or sublet the Leased Premises to another Department or agency of State of Indiana without the prior written approval of Landlord.

11. Abandonment of Premises

Tenant understands and agrees that if it abandons the Leased Premises during the term of this tenancy, Tenant shall not be relieved of its duties and obligations under this Lease. Exercise of Tenant's rights under Section 15 (Conflict of Interest), or Section 20 (Cancellation), shall not constitute abandonment. Landlord, however, promises that if Tenant fails to exercise its right to perform under this Lease, Landlord shall in good faith use its best efforts to re-let the Leased Premises and set off against rents due from Tenant any rent collected from others for their use of the Leased Premises. Nothing in this clause shall prevent Landlord or Tenant from negotiating a termination of this Lease.

12. Surrender and Holding Over

- A. Upon expiration or termination of this Lease, Tenant shall remove all of its goods, fixtures and other movable personal property and surrender the Leased Premises to Landlord in the same condition as the Leased Premises were at the beginning of this Lease, ordinary wear and tear, and damage by the elements, excepted.
- B. In the event Tenant remains in possession of the Leased Premises after this Lease has expired or been terminated, the resulting tenancy shall be construed as a tenancy from month-to-month and monthly rental shall remain the same as the rent being paid at the time the holdover occurs.

13. Nondiscrimination

Pursuant to Indiana Code 22-9-1-10 and the Civil Rights Act of 1964, Landlord and its Sub-Landlords, if any, shall not discriminate against any employee or applicant for employment, to be employed in the performance of this Lease, with respect to hire, tenure, terms, conditions, or

privileges of employment or any matter directly or indirectly related to employment, because of race, age, color, religion, sex, disability, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Lease. Acceptance of this Lease also signifies compliance with applicable federal laws, regulations and Executive orders prohibiting discrimination in the provision of services based on race, color, national origin, age, sex, disability, or status as a veteran.

Breach of this covenant may be regarded as a material breach of this Lease. Acceptance of this Lease also signifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination in the provision of services based on race, color, national origin, age, sex, disability, or status as a veteran. The Landlord shall comply with Section 202 of Executive Order 11246, as amended, 41 CFR 60-250 and 41 CFR 60-741, as amended, which are incorporated herein by reference.

Pursuant to that understanding, the Landlord, and its Sub-Landlords, if any, agree that if the Landlord employs 50 or more employees and does at least \$50,000.00 worth of business with the Tenant, and is not exempt, the Landlord will comply with the affirmative action reporting requirements of 41 CFR 60-1.7.

14. Memorandum of Lease

Upon request by Tenant, a Memorandum of Lease in recordable form shall be executed by both parties and recorded in conformance with the laws of the State of Indiana. (To be recorded in the County of the Leased Property)

- B. The Department may cancel this Lease without recourse by Landlord if any interested party is an employee of the State of Indiana.

- C. The Department will not exercise its right of cancellation under subparagraph B above if Landlord gives the Department an opinion by the Commission indicating that the existence of this Lease and the employment by the State of Indiana of the interested party does not violate any statute or code relating to ethical conduct of state employees. The Department may take action, including cancellation of this Lease consistent with an opinion of the Commission obtained under this section.
- D. Landlord has an affirmative obligation under this Lease to disclose to the Department when an interested party is or becomes an employee of the State of Indiana. The obligation under this subparagraph extends only to those facts that Landlord knows or reasonably could know.

16. Indemnification

Landlord agrees to indemnify, defend and hold harmless Tenant and its agents, officials, and employees from all claims and suits including court costs, attorney's fees, and other expenses caused by an act or omission of Landlord and/or its Sub-Landlords. Landlord may look to IC 34-13-2 of the Tort Claims Act and IC 34-30-9-2 for allowable protection in this area.

17. Indiana Law

This Lease shall be interpreted in accordance with and be governed by the laws of the State of Indiana and suit, if any, must be brought in the State of Indiana.

18. Default by Landlord

- A. Landlord shall be in default for failure to perform any of its obligations under this Lease thirty (30) days after Tenant has notified Landlord in writing of the specific obligations not being performed. Default by Landlord shall entitle Tenant to withhold rent until the default is cured or to terminate this Lease should Landlord fail to cure the default within ninety (90) days after Tenant has provided written notice of the default to Landlord.
- B. Repeated and unexcused failure by Landlord to comply with one or more requirements of this Lease shall constitute a default even if one or all such failures shall have been timely cured pursuant to this clause.
- C. Should Tenant be compelled to terminate this Lease due to default by Landlord, Tenant shall be entitled to the following damages:
 - 1. All administrative and other costs borne by Tenant in procuring a replacement lease or leases.
 - 2. Such other, additional relief as may be provided for in this Lease, at law or in equity.

19. Default by Tenant

Tenant shall be in default for failure to perform any of its obligations under this Lease thirty (30) days after Landlord has notified Tenant in writing of specific obligations not being performed. Default by Tenant shall entitle Landlord any remedy afforded it by Indiana Law.

20. Cancellation

If the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of this Lease, this Lease shall be canceled. A determination by the Budget Director that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.

21. Force Majeure

In the event that either party is unable to perform any of its obligations under this Lease, or to enjoy any of its benefits, because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a "Force Majeure Event"), the party who has been so affected shall immediately give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Lease shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Lease.

22. Penalties - Interests - Attorney's Fees

Tenant will in good faith perform its required obligations hereunder and does not agree to pay any penalties, liquidated damages, interest, or attorney's fees, except as required by Indiana law, in part, IC 5-17-5-1 et seq., IC 34-54-8-5, and IC 34-13-1-6.

23. Disputes

- A. Should any disputes arise with respect to this Lease, Landlord and Tenant agree to act immediately to resolve any such disputes. Time is of the essence in the resolution of disputes.
- B. Landlord agrees that the existence of a dispute notwithstanding, it will continue without delay to carry out all its responsibilities under this Lease that are not affected by the dispute. Should the Landlord fail to continue to perform its responsibilities with regard to all non-disputed work without delay, any additional costs incurred by Tenant or Landlord as a result of such failure to proceed shall be borne by Landlord and Landlord shall make no claim against the Tenant for such costs. If Tenant and Landlord cannot resolve a dispute within ten (10) working days following notification in writing by either party of the existence of a dispute then the following procedure shall apply:

The parties agree to resolve such matters through submission of their dispute to the Commissioner of the Indiana Department of Administration. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the Landlord and Tenant within ten (10) working days after presentation of such dispute for action.

The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If no reconsideration is provided within ten (10) working days, the parties may mutually agree to submit the dispute to arbitration for a determination, or otherwise the dispute shall be submitted to an Indiana court of competent jurisdiction.

24. Modification of Lease

This Lease may be modified at any time upon written agreement signed by Landlord and all necessary signatories of the State of Indiana.

25. Miscellaneous Provisions

- A. No waiver of any condition or covenant of this Lease or failure to exercise a remedy by either Landlord or Tenant shall be considered to imply or constitute a further waiver by such party of the same or any other condition, covenant, or remedy.
- B. Landlord and Tenant agree that this Lease and all acts done in compliance with this Lease shall not be deemed to create any relationship between the parties other than the relationship of Landlord and Tenant.
- C. This Lease, upon complete execution, contains the entire agreement of the parties and no prior written or oral agreement, express or implied, shall be admissible to contradict the provisions of this Lease.

26. Liens

Tenant agrees that it shall not cause any liens to be filed as a result of any work done on its behalf; however, should such a lien be filed, Tenant agrees to discharge such lien within thirty five (35) days of receipt of notice of the lien.

27. Substantial Completion

Any leasehold improvements shall be deemed to be substantially completed only when completion allows for occupancy and full use of premises. Minor punch list items would not be considered a reason for non- occupancy.

28. Hazardous Materials

Landlord, to the best of its knowledge, guarantees that the Leased Premises are in environmentally sound condition at the time of the execution of this Lease. Both Landlord and Tenant agree that they shall not cause, allow, or permit any Hazardous Material to be brought upon, generated, manufactured, stored, handled, disposed of, or used at, on, about, or beneath the Leased Premises or any portion of the Leased Premises.

29. Drug-Free Workplace Certification

The Landlord hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. Landlord will give written notice to the Tenant and the Department of Administration within ten (10) days after receiving actual notice that Landlord or an employee of the Landlord has been convicted of a criminal drug violation occurring in the Landlord's workplace.

False certification or violation of the certification may result in sanctions including, but not limited to, suspension of lease payments, termination of this Lease, and/or debarment of leasing opportunities with the State for up to three (3) years.

In addition to the provisions of the above paragraphs, if the total lease amount set forth in this Lease is in excess of \$25,000.00, Landlord hereby further agrees that this agreement is expressly subject to the terms, conditions, and representations of the following certification:

This certification is required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana. Pursuant to its delegated authority, the Indiana Department of Administration is requiring the inclusion of this certification in all leases with and grants from the State of Indiana in excess of \$25,000.00. No award of a lease shall be made, and no lease, purchase order, or agreement, the total amount of which exceeds \$25,000.00, shall be valid, unless and until this certification has been fully executed by the Landlord and made a part of this Lease or agreement as part of the lease documents.

The Landlord certifies and agrees that it will provide a drug-free workplace by:

- A. Publishing and providing to all of its employees a statement notifying its employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Landlord's workplace and specifying the actions that will be taken against employees for violations of such prohibition;
- B. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the Landlord's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation, and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
- C. Notifying all employees in the statement required by subparagraph A above that as a condition of continued employment the employee will (1) abide by the terms of the statement; and (2) notify the Landlord of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- D. Notifying in writing the Tenant and the Department of Administration within ten (10) days after receiving notice from an employee under subdivision C (2) above, or otherwise receiving actual notice of such conviction;

satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency; and

- F. Making a good faith effort to maintain a drug-free workplace through the implementation of sub-paragraphs A through E above.

The term "principal" for purposes of this agreement is defined as an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of Landlord.

State of Indiana
Parking Permit Agreement

This Permit Agreement is made and entered into by and between _____, (hereinafter referred to as "Permittor") and the State of Indiana, acting through its Department of Administration, for and on behalf of _____, (hereinafter referred to as "Permittee"). The signatories for the Permittor and Permittee warrant that they have been duly authorized to execute Permits on behalf of the Permittor and Permittee respectively.

In consideration of the promises and obligations specified in this Agreement, Permittor and Permittee agree as follows:

1. The Spaces to be leased

Permittee agrees to rent from Permittor and Permittor agrees to rent to Permittee _____ parking spaces located at _____, in the City of _____, State of Indiana.

2. Term and Holdover

- A. The term of this Permit Agreement is for a period of _____ years beginning _____, and ending _____.
- B. In the event Permittee continues in possession of the parking spaces after this Permit Agreement has expired or has been terminated, the resulting tenancy shall be construed as a tenancy from month to month, and monthly rental shall remain the same as the rent being paid at the time the holdover occurs.

3. Consideration

The total agreed rent for the entire term of this Permit Agreement shall not exceed the sum of \$_____, payable in equal consecutive monthly installments of \$_____. This amount represents a maximum cost of \$_____ per space per month. Rent shall be paid in arrears as described in Section 5 of this Agreement.

4. Option to Renew

The Permittor grants to Permittee an option to renew this Permit Agreement for an additional term of _____ year(s). The renewal agreement will be under the same terms and conditions as the existing agreement, with the rental payment not to exceed \$_____ per month. Permittee may exercise the renewal option by submitting in writing to the Permittor a notice of renewal, approved by the Department of Administration at least sixty (60) days prior to the expiration date of the Permit Agreement.

5. Method of Payment

- A. The Permittor shall submit a monthly invoice (in arrears) on Permittor's letterhead, directly to the Permittee Agency. The invoice must contain an invoice number, purchase order number (which will be provided to Permittor by the Auditor of State upon final approval of this Agreement), number of parking spaces and price per space, remittance address and total

amount due. No invoice shall be paid for any month before the first day of the month following the month for which the rented spaces were provided. Permitter must submit final claims for payment of rent on the spaces within sixty (60) calendar days after the expiration date of this Permit or the State of Indiana may elect to deny payment.

- B. If the term of this Agreement does not begin on the first day of a calendar month, or if this Agreement does not terminate or is not terminated on the last day of a calendar month, then the rent for any period less than the calendar month will be prorated based upon the total number of days the parking spaces were actually used during that month.

6. General Uses by Permittee

- A. Permittee will not be permitted to make any alterations, additions, repairs, improvements or decorations to the parking areas except as agreed upon in a separate written agreement between Permitter and Permittee.
- B. Permittee will not affix or cause to be affixed to the parking area any sign, advertisement or notice without written consent of Permitter.

7. Services Provided by Permitter

Permitter will provide all ordinary maintenance of the parking area, including snow removal (when snow reaches 2 inches) and ice removal as needed.

8. Assignment of the Agreement

Permittee shall not assign this Agreement or any part thereof, or permit the use of any of the parking spaces, by anyone other than the Permittee, its agents, officers and employees, without the prior consent of the Permitter. However, should the Indiana Department of Administration request to assign the parking spaces to another Department or agency of the State of Indiana the Permitter will not unreasonably withhold his approval.

9. Nondiscrimination Pursuant to IC 22-9-1-10 and Civil Rights Act of 1964, Permitter and his Subcontractors, if any, shall not discriminate against any employee or applicant for employment, to be employed in the performance of this Permit Agreement, with respect to hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of race, color, religion, sex, disability national origin or ancestry. Breach of this covenant may be regarded as a material breach of this Permit Agreement. Acceptance of this Permit Agreement also signifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination in the provision of services based on race, color, national origin, age, sex, disability or status as a veteran.

10. Indiana Law

This Permit Agreement shall be interpreted in accordance with and be governed by the laws of the State of Indiana and suit, if any, must be brought in the State of Indiana.

11. Cancellation

When the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of this Permit Agreement, the agreement shall be canceled. A determination by the Budget Director that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.

12. Conflict of Interest

A. As used in this section:

"Immediate family" means the spouse and the unemancipated children of an individual.

"Interested party," means:

1. The individual executing this Agreement;
2. An individual who has an interest of three percent (3%) or more of Permittor, if Permittor is not an individual; or
3. Any member of the immediate family of an individual under subdivision 1 or 2.

"Department" means the Indiana Department of Administration.

"Commission" means the State Ethics Commission.

- ### **B. The Department may cancel this Agreement without recourse by Permittor if any interested party is an employee of the State of Indiana.**
- ### **C. The Department will not exercise its right of cancellation under Subsection B above if Permittor gives the Department an opinion by the Commission indicating that existence of this interested party does not violate any statute or code relating to ethical conduct of state employees. The Department may take any action, including cancellation of this Permit Agreement consistent with an opinion of the Commission obtained under this section.**
- ### **D. Permittor has an affirmative obligation under this Permit Agreement to disclose to the Department when an interested party is or becomes an employee of the State of Indiana. The obligation under this subsection extends only to those facts that Permittor knows or reasonably could know.**

13. Miscellaneous Provisions

- ### **A. No waiver of any condition or covenant of this Permit Agreement or failure to exercise a remedy by either of the parties shall be considered to imply or constitute a further waiver by such party of the same or any other condition, covenant, or remedy.**
- ### **B. This Permit Agreement shall be interpreted and governed by the laws of the State of Indiana. All nouns, pronouns and any variation thereof shall be deemed to refer the masculine, feminine, neuter, singular or plural as the context may require.**
- ### **C. This Permit Agreement contains all the agreement and understandings between the parties and may not be modified orally or in any other manner than by an agreement in writing signed by all the parties or their respective successors. This Permit Agreement may be executed in one or more counterparts, each of which shall constitute an executed original.**

- D. Should the term of this Permit Agreement be in excess of three (3) years, Permitter agrees to record this Permit Agreement in its entirety (in the county where the leased spaces are located) within 45 days of the commencement, in conformance with IC 32-7-2-1. Permitter is liable for any compensatory and consequential damages incurred by Permittee due to Permitter's failure to comply with IC 32-7-2-1.
- E. Nothing in this Permit Agreement will be deemed by the Permitter or Permittee as creating the relationship of principal and agent, partnership, or joint venture. The parties agree that this Permit Agreement and all acts done in compliance with this Permit Agreement will not be deemed to create any relationship other than the relationship of Permitter and Permittee.

14. Drug-Free Workplace Certification

COMPUTER ROOM/COMMUNICATION'S ROOM SPECIFICATIONS – SATELLITE OFFICE

Electrical and Grounding Requirements

Data Communications Rack Power Requirement

The data communications rack requires a dedicated circuit. The circuit must be 110 vac supplied on a 20 amp breaker. The single gang outlet must be installed approximately 12 inches from the floor and no further than 5 feet from the present or future equipment rack (wall mount or floor mount). Communications Room drawing will display location of installation.

Data Communications Rack Grounding Requirements

The data communications rack requires a #6 copper solid or stranded grounding wire with a green sheath. The wire must be continuous length (no splices). The wire must be connected to the grounding bus bar of the nearest power panel. Verify the grounding bus of the power panel is grounded to the Multi Ground Neutral. The Multi Ground Neutral must be connected to the driven grounding electrode at the service entrance. Mount a busbar (GB10) to the communications backboard and attach the #6 ground wire. If the communications backboard is not in place leave a sufficient amount of wire coiled in a service loop with the GB10 attached. Provide approximately 20 feet of the #6 ground wire for the communications installers to ground the data communications rack, telephone system, and communications cable lightning protectors to the ground busbar. .

Telephone System Power Requirements

The telephone system requires a dedicated circuit. The circuit must be 110 vac supplied on a 20 amp breaker. The single gang outlet must be installed approximately 12 inches from the floor and no further than 3 feet from the future telephone system (wall mount). Communications Room drawing will display location of installation.

Telephone System Grounding Requirements

(See Data Communications Rack Grounding Requirements above.)

Fileserver Power Requirements

The fileserver requires a dedicated circuit. The circuit must be 110 vac supplied on a 20 amp breaker. The single gang outlet must be installed approximately 12 inches from the floor and no further than 3 feet from the future fileserver location.

Room Dimensions:

For most county sites, a room 8 feet by 10 feet should be sufficient.

Physical environment:

The computer room/communication's room environment must match the office environment for the staff. Sufficient air conditioning, heating, and airflow must be provided to maintain this environment. DTS FSSA recommends running the Netfinity servers in temperatures from 70-80 degrees F. The heat output for the Netfinity Admin Server, & UPS together is around 2200 BTU.
